Changes Made to the Contract Review Checklist and Summary

Data	Changes Made to the Contract Review Checklist and Summary
Date	Nature of Change
8/13/2012	Current version
9/25/2012	Page 2 changed RFP or sole source question to read contract instead of addendum,
	add requirement for page numbers to some questions page 2 and 3, changed format
	of signing block and added question on if there had been any final changes to
	contract/MOU, SOW/WP.
10/16/12	Slight wording change to question 9
11/06/2012	Added date for BIT technical review, date for approval of BIT deliverables, question if
	any BIT deliverables were included in SOW, and file location of project's
	documentation
11/13/2012	A place for the BIT one number and the location of the project priority list were added
	to the first page heading
2/8/2013	Some of the questions were moved into a BIT only block.
